sockets.

Feel the luxury

UNICA X

Feel the luxury

UNICA X is a sleek, new range that is crafted to make a sensory impact.

Schneider
Electric

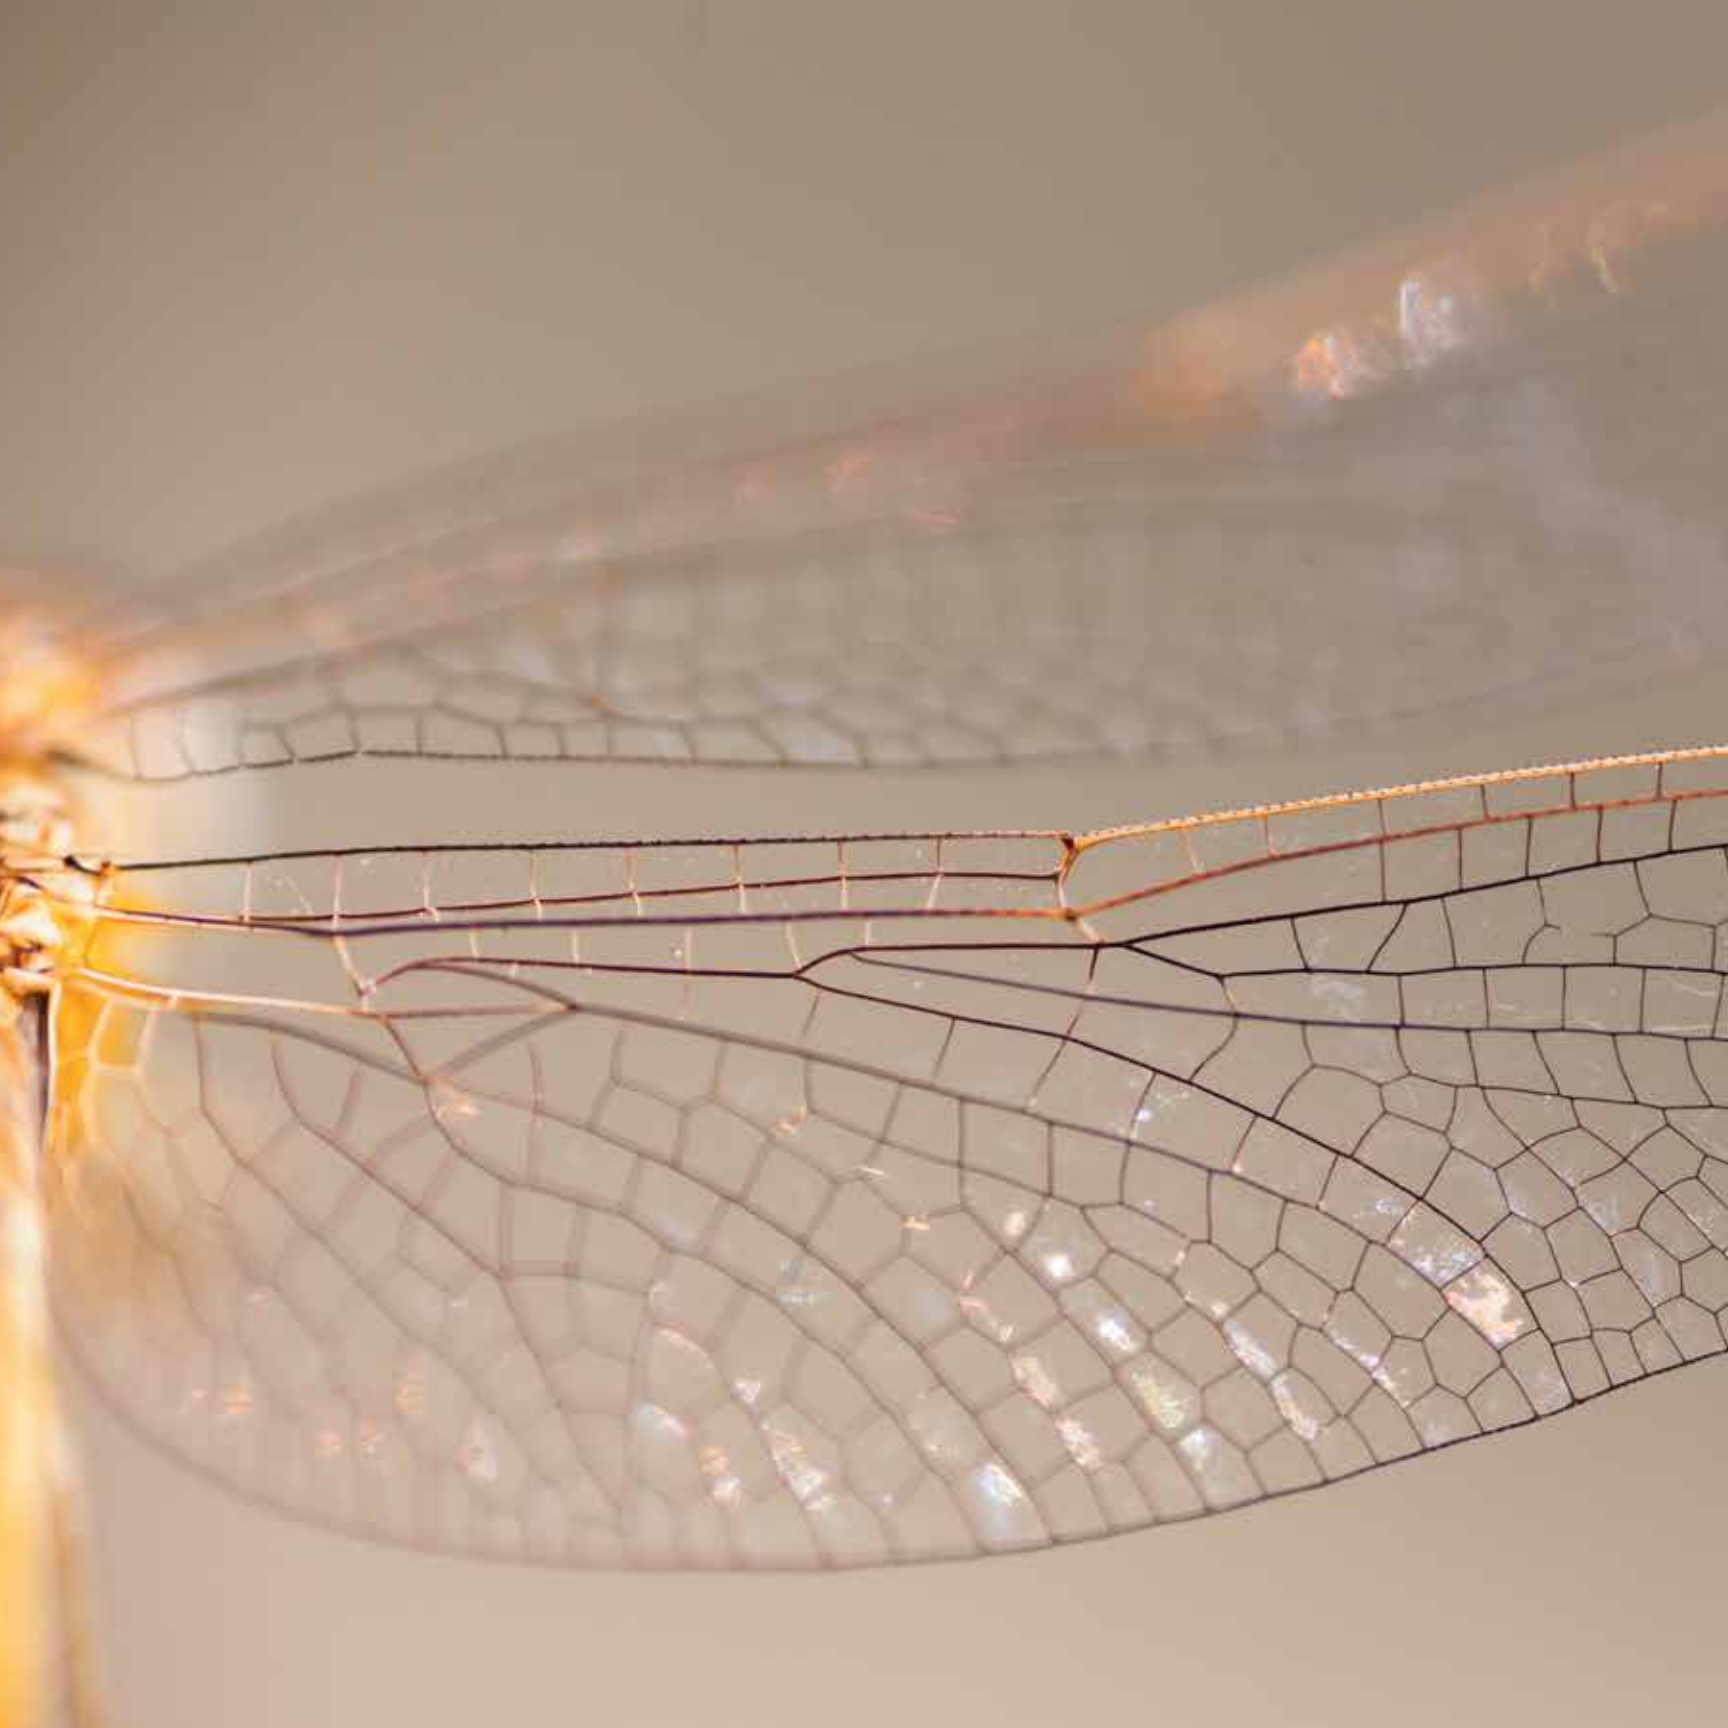

Introduction

Elevate the aesthetics and functionality of your living spaces with UNICA X. Our all-new comprehensive range of ultra-slim and sophisticated switches and sockets features unique ergonomic designs, advanced connectivity features, and so much more. UNICA X isn't just a switch – it's the epitome of excellence and luxury that is crafted to complement your unique style and sensibilities.

Ready to transform your spaces? Adorn your walls with UNICA X and experience a new realm of satisfaction, efficiency, and innovation.

Design

(Ultra-thin)

UNICA X adheres to the minimalist design philosophy and seamlessly blends into your walls. This collection of stainless-steel wiring devices comes in a never-seen-before slim profile with a finish thickness of just 6.5 mm. It stands as a testament to our intricate, innovative, and exquisite workmanship. With every touch, UNICA X invites you to a sensory experience and transforms your space into contemporary elegance. Let's uncover the power of ultra-slim brilliance.

Material and Finishing

The ultra-thin UNICA X is crafted with premium stainless steel, which undergoes a high-intensity metal forging process. These luxurious switches and sockets come in five exclusive colors and finishes, which seamlessly integrate into the grandeur of your walls. UNICA X is the perfect match for modern-day, minimalist interiors.

The plate's edge achieves its shine through CNC precision machining, adding a touch of elegance to its overall design.

Advanced Function

Upgrade your space with attractive style and advanced functionality.

Motion sensor night light:

No more fumbling for switches at night or worrying about leaving lights on. UNICA X's motion sensor night light turns on when you enter and turns off when you leave, enhancing convenience and saving energy.

Socket with USB A+C:

Simplify your charging experience with UNICA X. Its easy plug-in and -out functionality provides a seamless way to access power and meet various power supply needs simultaneously.

Comfort and Hospitality

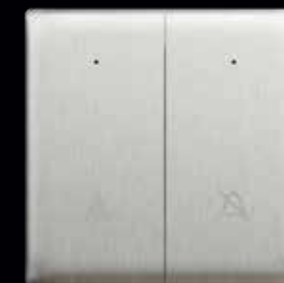

UNICA X provides full hotel functions for enhanced hospitality experience.

Key card switch

Night foot lamp

PCU and DND

Bell Press with DND & PCU

Shaver socket

2 ports USB charger

With robust design
and strict quality standard,
UNICA X is a safe choice.

Complete hotel
functions with up-to-date
technology in a single,
sleek range.

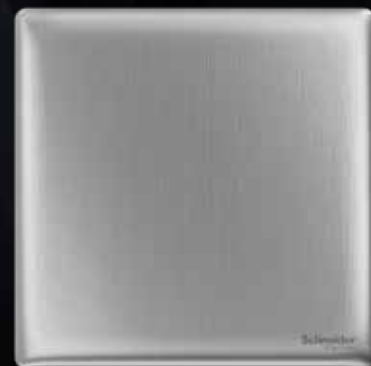

Sustainability

Upgrade your space with attractive style advanced functionality.

Designed with sustainability in mind, this product seamlessly combines opulence and eco-consciousness. It can be controlled remotely. You simply need to install an extension box enclosure.

Stay in charge of your power no matter where you are, and effortlessly streamline your operations while adding a touch of sustainability to your everyday tasks.

Portfolio

Switch styles without compromising on functions.

UNICA X is our full range of panels that come in rich and diverse color textures. Crafted to exceed your expectations, they are more than just functional – they're an aesthetic addition to your space.

UNICA X is your space's perfect match in every shade and feel.
